

## COMPANY ENVIRONMENTAL POLICY

The environmental policy covers activities on the sites at Skelmersdale, Knowsley, Burton and Worksop, along with Kammac Ltd. activities on 'client' sites around the UK & Ireland. This policy will be reviewed on an annual basis as part of our ongoing commitment to the environment.

### Commitment:

Kammac Ltd. is committed to protecting the environment. We will endeavour to continually improve our environmental performance and carry out all actions in line with requirements.

### Aims:

- We will ensure that we adhere to all relevant environmental legislation.
- We will install systems that enhance our practices promoting care for the environment.
- We will review this policy and communicate it internally and externally at appropriate intervals.
- We will aim for zero environmental accidents at each of our operating locations.

### Objectives:

- Comply with all developing national and international environmental regulations ensuring compliance.
- Manage activities in such a way as to reduce environmental impact to a practicable minimum.
- Commit ourselves to a continual improvement programme where economically feasible.
- Try and minimise the use of non-renewable raw materials where possible.
- Consider the environmental performance of suppliers and contractors.
- Encourage all process owners within the business to thrive towards zero land fill.
- Invest in recycling mechanisms in order to achieve point above.
- Identify and implement office waste recycling.
- Ensure that all fleet vehicles are fuel efficient and of the lowest carbon emission possible.
- Ensure that this policy is understood, implemented and maintained at all levels within the company.
